Amendment: Retroactivity of Amendment 782

Reason for Amendment: This amendment expands the listing in § 1B1.10(d) to implement the directive in 28 U.S.C. § 994(v) with respect to guideline amendments that may be considered for retroactive application. The Commission has determined that Amendment 782, subject to ~~be~~ the limitation in new § 1B1.10(e) delaying the effective date of sentence reduction orders until November 1, 2015, should be applied retroactively.

Amendment 782 reduced by two levels the offense levels assigned to the quantities that trigger the statutory mandatory minimum penalties in § 2D1.1, and made parallel changes to § 2D1.11. Under the applicable standards set forth in the background commentary to § 1B1.10, the Commission considers the factors, among others: (1) the purpose of the amendment, (2) the magnitude of the change in the guideline range made by the amendment, and (3) the difficulty of applying the amendment retroactively.
